<b>From:</b> The Stewards	<b>Date:</b>	10 February 2022
<b>To:</b> McLaren Racing	<b>Time (decision):</b>	10:30 h

---

The Chairman of Stewards, having received a request from McLaren Racing to allow Mr Tanner Foust to have an Evaluation Session as per Art. 17.6 of the Extreme E Sporting Regulations, having considered the following matter, determine the following:

**N° / Competitor**      58 / McLaren Racing  
**Driver:**                Tanner FOUST  
**Session:**                Before Event

**Decision:**

Permission is granted to the Driver Tanner Foust for an evaluation session as per Art 17.7 of 2022 Extreme E Sporting Regulations with the following additional conditions:

- Time and location of the session will be defined by the Promoter and the Race Director.
- 17.7.c: As Extreme E's "show car" is not available for the Neom event, it shall be replaced by the Teams car. Once the car is "released" for the test session, the Team may not make any changes to the Car or if there is an issue the test may be concluded at the discretion of the race director.
- 17.7.e: No personnel of the relevant Team, other than the Driver shall be present
- 17.7.g: No data shall be provided to or viewed by the relevant Team: At the end of the test session the car will be placed into Parc fermé conditions without any connection to download data. Spark shall erase the data and when completed they shall inform the Race Director who will release the car from parc fermé conditions.

**Reason:**

Mr. Tanner Foust fulfil the conditions requested in Art.17.6 "Having not yet competed in an Event".

The Extreme E show car not being available additional conditions have been added to fit as much as possible Art.17.7 conditions used when the Extreme E show car is available.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code and Article 9.1.1 of the FIA Judicial and Disciplinary Rules, within the applicable time limits.
