

**Desert XPrix, 19-20 February 2022**

**TECHNICAL NOTICE Nº4**

---

**From:** Technical Director

**Date:** 20/02/2022

**To:** All Teams and Race Director

---

1.1 Cars from pre-scrutineering can go back to their garage before going to pregrid and will stay under parc fermé conditions

Only following equipment is allowed to be connected:

- Battery charging system
- Cooling System

No computer allowed. Any infringement will be reported to The Stewards.

1.2 No tyre pressure adjustment is allowed after the pre-scrutineering.

1.3 Cars/Team Managers will be called by radio or called by Service Lane Extreme E representative in order to proceed to the pre-grid area.

1.4 Black plastic simulating the front bottom dummy lights are allowed.

A handwritten signature in black ink, appearing to read 'R Moscati'.

Renato Moscati  
Technical Director
